

ARC Linkage Projects 2024 EoI

Form Preview

ARC Linkage - Expression of Interest general information

- 1.The Australian Research Council's (ARC) *Linkage Projects* scheme promotes national, and international, collaboration and research partnerships between key stakeholders in research and innovation, including higher education institutions, government, business, industry and end-users. Research and development is undertaken to apply advanced knowledge to problems, acquire new knowledge and as a basis for securing commercial and other benefits of research.
- 2.Prospective applicants **must** submit this Expression of Interest form before proceeding to develop a full Linkage Project proposal.
- 3.All form submission data is stored in accordance with the [RMIT Privacy and Information Protection Policy](#).
